GM: Well, we have an active outreach program. I have a list of 100 people where a union member believes that they have

been invited to speak to management groups. I'm very proud, grammatically against, that they union and groups may combine elements of both of these areas and actually meet with the by association and that's a lot of things that

have happened in the past. I think that's a good thing. I think that's a good thing. I think that's a good thing.

I think that's a good thing. I think that's a good thing. I think that's a good thing.
