e. **Master Plan**: Moving forward for the rest of the semester and into the Spring, SGA plans to read and provide feedback to the Facilities Master plan created in 2015. We hope to provide insight on campus needs for upgrades to facilities and which areas would students benefit from the most. We are looking forward to working together with Vice President Barkwill and his team to provide feedback in the coming months.

B. Cultivating Inclusion

a. **Resolution in support of Black Lives Matter:** This summer, in the wake of the murder of George Floyd, the Equity and Inclusion committee crafted a resolution in support of the BLM movement as well as a call to action to the University to make sustainable efforts in supporting the Black student population. This resolution was unanimously passed by the 85th senate and put into action in the coming months.
b. **Outreach to Black student organizations:** To make SGA as an accessible resource as possible, we reached out to the Black student organizations on campus to offer support and asked how best to serve their needs at that time.
c. **Black Healing Counseling:** An important call to action to the University was to create a healing space for Black students to receive counseling services. Spearheaded by Equity and Inclusion Chair Mobley, this program was actualized this week on 10/13.
d. **BLAC at senate:** In our first senate meeting, SGA invited members of Black Leaders Advocating for Change to have a dialogue with senate on how to support their efforts. At this meeting, BLAC was able to present their list of demands to the University and SGA asked questions and had a dialogue on how to best serve their needs. SGA continues to be in contact with BLAC with Facilities and Operations Chair Aquino working with them to advocate for a space on campus for Black students.

C. Hofstra for All:

a. **Leaders for Leaders:** This semester we founded the Leaders for Leaders program consisting of 12 passionate first year students. Each week we hold workshops for our students on topics ranging from overcoming obstacles as student leaders, navigating student leadership in a pandemic, to advocating for diverse student populations. Each cohort member is assigned an SGA mentor where they meet biweekly. Next semester our first years will become associate senators and sit on our logistic or advocacy committees. They will then complete a leadership capstone project to demonstrate the tools and skills they have learned throughout their time in the program.

b. **COVID-19 Letter:** On September 9th 2020, SGA, the Commuter Student Association, Panhellenic Council, Professional Fraternity Council, Residence Hall Association, and Student Athlete Advisory Committee all co-signed an open letter to the Hofstra community. Together we held our peers and ourselves accountable to be responsible during a pandemic and continue social distancing off campus. This letter was sent via email to all Hofstra undergraduate and graduate students.

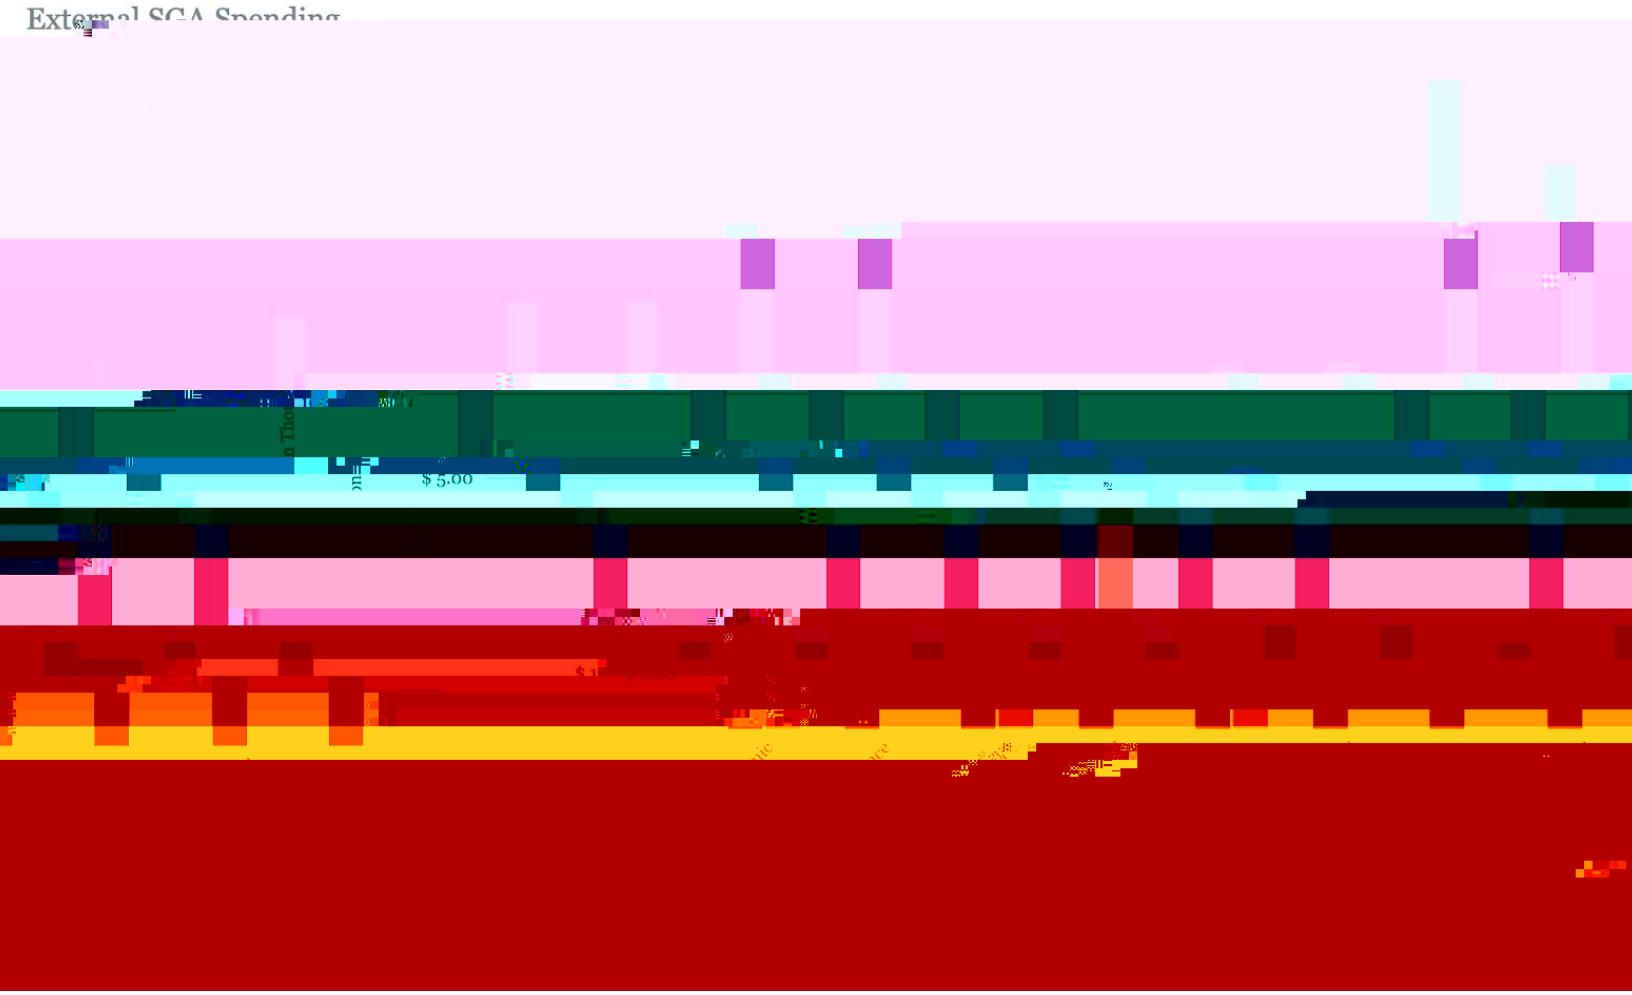
A Path Forward:

The work of our senators has pushed forward what we envisioned the 85th senate to look like. Though SGA is embarking in new territory with being fully operational online, the 85th senate has excelled at adapting to new challenges thrown their way. We look forward to uplifting the student voice, building upon our vision for SGA and continuing to be a source of strength during these challenging times.

Mid-Semester Report for Fall 2020

Office of the Comptroller

October 15, 2020



Above is the spending carried out by student clubs and organizations. This chart details the amount allocated versus what clubs have spent to date (October 14, 2020). Few club categories have made significant strides in spending, the four being Academic, Media, Performance and Sports categories. Academic spending 7.35% of the total allocated, Media spending 7.66, Performance spending 9.46%, and Sports 0.94%.

The above chart shows SGA's internal spending which is carried out by the various committees in the Senate. This does not break down spending by various committees, rather this is a total allocated versus spending for SGA itself. To date (October 14, 2020), SGA has spent $ 16,203.30 of the $ 41,546.42 allocated to it (39.00%).

address of the test sites, fee per test, contact information, time period for test results, and how to make an appointment.

- æ Senator Gigi Walker and Chair Aaron Liebowitz have done research on reusable chair coverings for public areas. Other universities offer these coverings to students as a form of PPE and are most commonly used in dining halls.
    - Research regarding pricing and accessibility of these coverings is currently being conducted. We are hopeful Hofstra will implement the coverings.

This position is now overseen by both the Wellness & Campus Safety Committee and Equity & Inclusion Committee. Senator Katie Funk has been selected as this year's It's On Us Ambassador!

)LQDQFLDO :HOOQHVV

The Wellness & Campus Safety Committee will also focus on financial wellness. As our first initiative, we are looking into abolishing the $25 fee for replacement student IDs. We intend on contacting Micahel Martin, Director of Card Services, to gather data regarding the semesterly and annual income from these fees.

Respectfully submitted,

David O'Brien

Agenda of the 85th Senate

Hofstra MỸ

i. The deputy would serve in the case the Club Resources chair can not perform any tasks by getting pulled into anything. The second part is the case incase of J-Panel chair can't work because there was a conflict of interest.
    1. Questions
    2. Senator Hotaling
        a. Would we need to have another election for a chair when you graduate the pro tempore would serve as chair during the transition when I am not here because Chair Khandelwal is graduating
    3. Senator Behm
        a. Can we have an election before you leave no we can not
    4. Chair Colon
        a. Since there is going to be an election to replace you as Club Resources Chair is there really a need for a Club Resources Deputy?
    5. Senator DeBiso
        a. What would the role entail or is there anything different that they would do
            i. Yes they could do things the committee would not do
    6. Senator Behm
        a. Would this be appointed
            1. It would be appointed

b. Senator Hoatling moves to pass S.A. 7

    ii. Motion Objected
        1. Debate
            a. Chair Khandelwal
                i. This should be passed because incase i have to step out of the room or if there is an investigation and I believe this should pass because I can not bring in the Chief Justice I do not want there to have to many conflict of interests
            b. Chair Conolly-Sisk
                i. Creating a position this could cause a poorly dedicated situation and this could be unfair of a situation or unfairness
            c. Senator Congdon

i. A first line of succession i think this is the path of least succession

d. Senator DeBiso
    i. I don't think this is important because we previously didn’t have the position and have managed fine without it in cases that a previous speaker said it’s necessary
e. Chair Khandelwal Moves for a 5 minute moderated caucus
    i. Motion Seconded
    ii. Motion Passed
        1. I am fine with holding the CR part but i want the deputy for J-Panel pass and i can edit and make changes
    iii. Senator Behm
        1. asks for edits to be made
f. Senator Harley
    i. I am worried about that aspect because of favoritism
g. Senator Doherty
    i. I feel that this could cause an area of clickiness you can't ignore the necessity maybe a way to propose to elect a deputy
h. Chair Connolly-Sisk
    i. I believe that there is a necessity but i have an issue giving them the title of this if there is a specific reason for this
i. Chair Colon
    i. It doesn't need to be a deputy or a name when in the past if it happened per case scenario i think picking someone fo the job is good not a title
j. Senator Congdon
    i. I think having a temporary chair when needed is better
k. Chair Paturzo
    i. I have a deputy and i like having the ability to count on them or the ability for them to help when needed
