

*IN THE YEAR TWO THOUSAND AND TEN*

Resolution:

*Whereas*, the wait time at the post office can at times be undesirable for students, staff, and faculty;

*Whereas*, in regular post offices, patrons are able to pick up shipping materials such as priority boxes and delivery conformation slips without waiting on-line;

*Furthermore*, students, staff and, faculty should be able to pick up shipping supplies at their leisure.

*Let it be resolved*, that shipping supplies will be available in the lower-level of the bookstore, which members of the Hofstra community will have access to during its normal business hours.

Respectfully Submitted,

Senator Cody Heintz
