<u>Programming Board Mid-Semester Report Fall 2015</u>

So far the programming board has not put on any events.
<u>Future Events</u>
1. Student Appreciation Week (11/16-11/20)

    a. During student appreciation week, we will be

    d. My goals for Build a Friend this year is for it be the best one we've ever had. Since this will be the last one we are putting on as the programming board, I want to have great turnout and it be successful. I also want a great turnout from other members of SGA.

3. PR Associates

    a. Starting in the spring of 2016, the programming board will be transitioned into PR associates.

    b. The purpose of the PR associates will be to organize and execute events on the behalf of SGA.

    c. Because the number of clubs on campus has grown since the creation of the programming, a variety of events have been put on. So while the original purpose of the programming board is no longer needed, the PR associates will focus more on promoting SGA events.

Respectfully submitted,

Ashlyn Gardner
